Some things you should know about transition-of-care coverage
You'll find answers to commonly asked questions about transition-of-care coverage on the other side of this form. You should read them before filling out this form.

Transition-of-care coverage does not apply if your provider is in the plan's network (participating) or is part of your plan's highest benefit tier. The online provider search directory is found on the health plan's webpage. It can tell you if your doctor is in the network or help you find a participating provider for your health plan. You can also call us at the phone number on your ID card.

How to complete the form and get it to us

Step 1: Fill out these sections:

1. Section 1 (Group or employer information).
2. Section 2 (Subscriber and patient information): Plan information is on the front of your ID card.
3. Section 3 (Authorization): Read the authorization, then sign and date the form.
4. (Misrepresentation): NY residents please sign and date page 7.

Step 2: Give the form to the doctor/health care provider to complete Section 3, including the diagnostic and treatment information requested on page 6.

Step 3: **Fax** the completed form to us for review. You should complete one form for each health care provider.

Fax medical requests to 1-859-455-8650

Fax mental health/substance abuse requests to 1-888-463-1309

Be sure to complete all fields on pages 4 and 6. Your request will be answered faster that way.

Transition-of-care coverage questions and answers

Q. What is transition-of-care (TOC) coverage?

- **For new members**:
  TOC coverage is temporary. You can get TOC when you become a new member of a medical benefits plan or change your plan, and you are being treated by a doctor who:
  - Is not in the plan's network
  - Is not included in Narrow Network, or a plan sponsor specific network, and your benefits change to include one of these networks

  TOC coverage can also apply when your doctor leaves the plan's network or changes network status or if certain laws or regulations require coverage. Approved TOC coverage allows a member who is receiving treatment to continue the treatment **for a limited time** at the highest plan benefits level.

  TOC coverage is only for the requested doctor. Except in New York, TOC coverage does not include health care facilities, durable medical equipment (DME) vendors or pharmaceutical items. If we approve TOC coverage, the doctor must use a health care facility, DME vendor or pharmacy vendor in the plan's network. If you want to request coverage for a vendor or facility outside the plan's network, call the Member Services phone number on your ID card.

- **For existing members**:
  TOC coverage can also apply when your doctor or facility leaves the plan's network or changes network status or if certain laws or regulations require coverage. Approved TOC coverage allows a member who is receiving treatment to continue the treatment **for a limited time** at the highest plan benefits level.

  Except in New York, TOC coverage does not include durable medical equipment (DME) vendors or pharmaceutical items. If we approve TOC coverage, the doctor must use a DME vendor or pharmacy vendor in the plan's network. If you want to request coverage for a vendor or facility outside the plan's network, call the Member Services phone number on your ID card.

Q. What is an active course of treatment?

A. An active course of treatment means you have begun a program of planned services with your doctor to correct or treat a diagnosed condition. The start date is the first date of service or treatment. An active course of treatment covers a certain number of services or period of treatment for special situations. Some active course-of-treatment examples may include, but are not limited to members who:

- Are pregnant and has begun a course of treatment (including prenatal care) for the pregnancy from the obstetrician (OB) or facility.
- Are undergoing a course of treatment for a serious and complex condition from the provider or facility, such as chemotherapy or radiation therapy.
- Are or was determined to be terminally ill (if the individual has a medical prognosis that the individual's life expectancy is 6 months or less) and is receiving treatment for such illness from such provider or facility.
- Need more than one surgery, such as cleft palate repair.
- Have recently had surgery.
- Are being treated for a mental illness or for substance abuse. (The member must have had at least one treatment session within 30 days before the status of the member or the participating health care provider changed.)
- Have an ongoing or disabling condition that suddenly gets worse.
- May need or have had an organ or bone marrow transplant.
- Are scheduled to undergo non-elective surgery from the provider, including receipt of postoperative care from such provider or facility with respect to such a surgery.

To be considered for TOC coverage, treatment must have started **before** the enrollment or re-enrollment date, or ***before*** the date your doctor or facility left the health plan's network, or ***before*** the date a doctor's or facility's network status **changed**.

Q. Do I need to complete a form for each provider that I am requesting TOC for?

A. Yes, a separate form is required for each provider.

Q. What other types of providers, besides doctors, can be considered for TOC coverage?

A. This includes health care professionals such as physical therapists, occupational therapists, speech therapists and agencies that provide skilled home care services, such as visiting nurses. TOC is considered for participating hospitals when the facility is not designated for the highest benefit level for plans that include tiered networks or when a participating facility terminates from the network. TOC does not apply to other health care facilities (for example, skilled nursing facility), DME vendors or pharmaceutical items.

Q. If I am currently receiving treatment from my doctor, why wouldn't you approve my request for TOC coverage?

A. To be approved for TOC, the procedure or service must be a covered benefit under the terms of your plan. **For providers that leave the network:** As part of the Federal No Surprises Act, your doctor must accept the terms outlined on the TOC request form.

Q. My PCP is no longer a participating provider. If my plan requires me to select a PCP, can I still see my doctor?

A. If you're receiving treatment, you may still be able to visit your PCP, even if he/she leaves the network. In all states, except Texas and New Jersey, you may need to select a PCP in the health plan's network. In Texas and New Jersey, TOC may apply to PCPs. Talk to your PCP so that he/she can help you with your future health care needs.

Q. How long does TOC coverage last?

A. Usually, TOC coverage lasts 90 days, but this may vary based on your condition (for example, pregnancy). We will tell you if your TOC coverage request is approved and how long the coverage will last.

Q. How do I sign up for TOC coverage?

A. Contact the Member Services number on your member ID card. You must submit a TOC request form to the health plan:

- Within 90 days of when you enroll or re-enroll
- Within 90 days of the date the health care provider left the plan's network or within 90 days from the date on the letter notifying you of the change
- Within 90 days of a doctor's network status change

You or your doctor can send in the request form.

Q. Does TOC coverage apply if my plan does not have a provider network?

A. No.

Q. What if I have a Narrow Network or plan sponsor specific network plan?

A. If we approve your TOC coverage, you may still receive care at the highest benefits level for a certain time period. If you continue treatment with this doctor after the approved time period, your coverage would be limited to what your plan allows. This means you may have reduced benefits or no benefits.

Q. What if I have more questions about TOC coverage?

A. Call the Member Services phone number on your ID card. If you have questions about TOC mental health services, you can call the Member Services phone number on your ID card or, if listed, the mental health or behavioral health number.

Q. How will I know if my request for TOC coverage is approved?

A. We will make a decision after we receive your request. We will send you a letter via U.S. mail. The letter will say whether or not you are approved.
